

# WEATHER POLICY

If there is an electrical storm in the area, the indoor & outdoor pools will be closed.

- The Parks and Recreation Department follows the **American Red Cross & National Lightning Safety Institute** guidelines for weather.
- There will be a 30 minute waiting period from the last sight of lightning or sound of thunder.
- Swim Lessons that are cancelled due to weather will be rescheduled.

## Land & Water Fitness class winter weather policy:

- If Woodford Co. School is cancelled or delayed, all land & water fitness classes scheduled **before 9 AM** are cancelled. If school has early release due to weather, there will be **NO** evening land or water fitness classes.
- Registration fitness classes that are cancelled will be made up at a later date. Cancellations will also be posted on our website ([www.vwcparksrec.com](http://www.vwcparksrec.com)), Facebook page & on local TV stations as necessary.

If you are ever unsure of class status due to weather conditions, please call the Center at 873-5948 at least 30 minutes prior to class to check for cancellations.

# CLASS DESCRIPTIONS

**AQUA FLEX** - All over, all around good workout! Focusing on strengthening your core and working your way out to strong arms, legs and back! You're gonna feel this one!

**AQUATIC THERAPY** - Using the warm water in the therapy pool this class gently leads you through flexibility, strengthening, lengthening exercises to increase your range of motion and improve stability.

**CARDIO BOOTCAMP** - Not your average water aerobics class! Working hard in the water has never been so fun! A mix of target moves that will whittle your waist, get that blood flowing and shed those calories! Awesome Cardio, coming your way!

**DIVIDE CONQUER** - Shallow water? Deep water? You decide! This class uses the same workout in both depths so you can get the workout you want!

**HYDRO HIIT** - Let's H.I.I.T. it! Using the High Intensity Interval Training techniques take you to a whole other level. Push yourself to try something challenging but still easy on the joints! Come give it a try, you'll be glad you did!

**SHORT CIRCUIT** - Combining different types of resistance to help strengthen your core as well as all over toning and stretching. Moving through warm water circuits will give you a workout you have never before experienced.

**SURF-N-TURF** - A water workout like you've never experienced before. This class will constantly challenge you with intervals, stations in and out of the water. You can wear regular workout clothes, bring a clean pair of shoes that can get wet (or aqua-shoes). Intense class but will have modifications to fit every level.

**NEW CLASS!**

**TONING BOOTCAMP** - This class uses buoyant aquatic equipment to help tone your upper & lower body as well as improve your core muscle to stabilize your body in water.

**TOTALLY FIT H2O** - This new class offers something for everyone! Challenge you mind, body and soul! Using the entire pool for your workout you will have to expect the unexpected! Every class is different, new and exciting! All levels welcome but be prepared to work!

**WEEKENDER** - Mix it up a little! Instructors rotate week to week to give you something fresh every Saturday! You're sure to get a great workout!
