

Setting up Safety

GIRLS' VOLLEYBALL COVID-19 SAFETY PLAN

1.) CLEAN HANDS

All players must sanitize hands before playing. There will be hand sanitizer stations near each court for use.

2.) BALLS AND EQUIPMENT

All balls will be disinfected before & after each match & between games within a match. Chairs & all other equipment will be sanitized after play.

3.) TEMPERATURE CHECKS

Upon arrival to Falling Springs each participant will have their temperature checked.

4.) MASKS

Masks should be worn when entering & leaving the facility. Masks are not required while playing. Parks & Recreation staff, officials & coaches will be asked to wear a mask while engaging with players & when they can not adequately social distance.

5.) AVOID TOUCHING YOUR EYES, NOSE OR MOUTH

Bring a towel & wear a headband and or wristbands to wipe away sweat. If you do touch your face, sanitize your hands.

6.) MAINTAIN SOCIAL DISTANCING

When not actively practicing or playing, players and coaches should maintain social distancing whenever possible.

7.) SPECTATORS

Players are permitted to bring a maximum of 2 spectators to games & practices (this includes children).
