Unaccompanied minor policy

Tefany provided an overview in change of policy as it relates to youth under 15 who are permitted to be inside Falling Springs without an adult and who pay the daily fee. The new policy will require a parent or guardian to complete a form providing their contact information so if there is an issue or emergency, we have the ability to contact someone. All youth with a completed form will be issued a card they will swipe at the front desk prior to paying the daily admission.

Motion to approve new policy S. Finney, 2nd D. Lodmell – all voted in favor.
